Educate Empower Lead Inspire Motivate Transform Women & Families

VON INSTITUTE OF LEADERSHIP

Voice of Nations is an award winning social enterprise and accredited Centre with the Open Awards, offering a wide range of Nationally Accredited QCF Qualifications.

Open Awards is a National Awarding Organisation approved by the regulator Ofqual and the Quality Assurance Agency for Higher Education (QAA).

Who are WE?

Voice of Nations is an award winning 21st century social enterprise based in Liverpool, whose vision is to transform the lives and status of less privileged and disadvantaged girls and women so they can become aware of their rights and full potential, and excel into positions of leadership and financial independence.

How do we intend to do that?

Through engagement, the provision of first hand and quality support, education, social, and recreational activities.

By delivering consultations, workshops, trainings, seminars and conferences, strategically designed and delivered to educate, empower, mentor, inspire & promote the integration, wellbeing, and leadership of young girls, women and families in the UK and at international levels.

We strongly believe that knowledge is power and people are less privileged or disadvantaged due to lack of knowledge.

Bespoke Services:

We will suggest you choose from the courses below what will best suit your needs and that of your students/clients/organisation. These are bespoke program, which could be further tailored to meet your specific needs and requirements as well as those of your students/clients/staff/organisation.

The programs are designed to provide moderate to intensive support to youths in or out of school, NEET, unemployed/ young girls/women/men towards the route to maximising their potential and getting into employment/ self-employment.

They are also suitable for employed/self-employed individuals, looking to improve and develop themselves personally and professionally, sustain, and excel in their jobs/businesses.

We will deliver workshops to female only groups; however, our lead trainer/ Personal/ Executive Business Coach could also be commissioned to deliver bespoke courses to males, schools, and staff/organisations.

Educate Empower Lead Inspire Motivate Transform Women & Families

1) Program 1: Empowerment Program- minimum 4 weeks at 48-50hours (1-2x /week) Costs: Total cost of program 1 will be approximately £2000- £2400 for a maximum of 10 learners.

The program is designed to empower and improve the self-esteem, personal/ mental growth, confidence, motivation, interpersonal and employability/ entrepreneurial skills of learners.

The workshops/ sessions consists of very lively and empowering presentations, debates and group discussions, that facilitate students/clients/ organisations to identify their needs, goals, dreams, visions, fears and barriers, and empower them with tools and resources to overcome potential challenges/ negative mindsets and motivate them to take actions to maximise their potentials and fulfil their vision.

2) Program 2: Leadership Empowerment- 4 weeks at 48-50hours (1-2x /week)

Costs: Total cost of program 1 will be approximately £2000- £2400 for maximum of 10 learners.

This is a very dynamic and challenging Leadership Empowerment for youths, staff, and individuals in all positions and roles of responsibility, employment, self-employment, looking to unlock the endless potentials within them, soar beyond barriers, and become outstanding leaders in their fields of expertise.

This will benefit those who by now are empowered, goal driven and motivated to embark on the next step of their journey to leadership and employment/ Self-employment growth. This is also ideal for students/ staff/ organisation with moderate intense employability/ transferable skills needs.

3) Program 3: Skills Empowerment Project- 4 weeks at 24 hours (1 -2x /week) Costs: Total cost of program 3 will be approximately £1280 for a maximum of 10learners

This program is ideal for clients with intense employment/employability/core skills needs; but is also essential and useful for those who have already secured a job or started their own business and need to gain additional skills to maintain or expand their job roles/ businesses. It will benefit the clients, and enable them to either secure or maintain their job or develop and run their own business.

4) Program 4: ICT- 4 weeks at 16-24 hours (1x /week):

Costs: Total cost of program 4 will be approximately £1280 for a maximum of 10 learners

The support/ sessions are mainly designed for beginners and provide a friendly and helpful environment where learners could practice and develop their computer skills.

During this time, learners will look and explore computer basics, the internet, emails and Microsoft Office Software including Word and PowerPoint presentations.*

At the end of the course the learners will gain ICT and presentation skills and become more confident with increased access to employment and/ or self-employment.

We could also arrange courses for intermediate users and staff.*

5) Program 5: Employment/ Entrepreneur Mentoring-Coaching Scheme Minimum 4 sessions at 3hours/ session (total 12 hours).

Costs: Total cost of program 5 will be approximately £600-£720

This is a specific and intensive 1-2-1 Mentoring/Coaching Support Scheme provided and tailored to meet learner's specific needs, job search/ CV, interview and presentations requirements.

In the case of self employment- Intensive Executive coaching, business start up support, guidance and support towards business plan development and registration will be provided.

6) Program 6: Post Employment/ Entrepreneur Scheme- Minimum 4 sessions at 3hours/ session (total 12 hours).

Costs: Total cost of program 6 will be approximately £600-£720

Ideal for youth leaders, those already in employment, management/self-employment, to support them overcome potential challenges, manage stress/ pressure and excel in their field of expertise. This is a specific and intensive 1-2-1 Mentoring/Coaching Support Scheme provided and tailored to meet learner's specific development/ business needs and enable clients to enhance their maintain and build their career/ business.
